

PARTICIPATION RULES FOR OUTGENIA STARTUP AWARDS

2nd EDITION

APPLICATION RULES

The aim of this call is to give a greater visibility to the international agri-food startups that develop its activity throughout the chain value of the Spanish agri-food sector. These startups should operate in one or more of the following topics:

We are looking for innovative projects with any feasible product applied to the Spanish FDI (Food and Drinks Industry) and significant growth potential.

1. CANDIDATE REQUIREMENTS

To be admitted to the selection process, applicants must meet a series of requirements to be demonstrated before the applications submission's deadline.

- Submit a startup project related to the IAB (Food and Drinks Industry) with a focus on the Spanish market/ Spanish environment.
- Be legally constituted and registered on its country (VAT number).

2. APPLICATIONS SUBMISSION

The application process will open on **February 2nd, 2024**, and will remain open until **July 11th, 2024**.

The following documentation should be submitted:

- **Application Form.** You will find it on this [OUTGENIA Awards Form](#).
- **Short Video:** between 2-5 minutes long, presenting the project and indicating its key and differential elements. It should be sent to g.alcat@fiab.es. Supported video formats/extensions: mp3, wma, mpg, flv, avi, mpeg4, asf, mov, mkv, mp4.

The content should be accurate and well-oriented to the bases of these awards. Applicants might submit only one proposal per startup.

The applicants should declare the commitment to the bases:

- To accept terms and conditions.
- To submit reliable information.
- To declare of being intellectual authors of the ideas presented.
- To provide any additional information that may be required.
- To report changes in the constitution of the team before the announcement of the winners.
- To accept that the Food for Life-Spain Technology Platform reserves the right to disseminate the information submitted to the Outgenia Startup Awards.
- To accept that the content of the application provided by the startup will be shared with the jury, who will sign a confidentiality agreement.
- Defend their project through an 'Elevator Pitch' for a jury, via digital platform (Zoom or Teams).
- To be available to attend the awards ceremony that will take place at ALIBETOPÍAS 2024, on **October 24th in Madrid**.

3. ASSESSMENT PROCESS

Once the application process is closed, the evaluation process will begin. A careful analysis of the projects and a selection of applications will be carried out during the **ASSESSMENT**.

This evaluation will be carried out in an **on-line** format, on September (the date will be defined ASAP), the candidates will defend their project in an *Elevator-pitch* format. The jury of the 2nd Edition of the Outgenia Startup Awards will be formed by representative members of both private and public Food and Drinks Industry sector.

4. ASSESSMENT CRITERIA

The three main criteria for this assessment of the projects will be:

Substantive aspects (40%)

- Explanation of the starting point with potential for improvement.
- Technical or technological reasons why the described solution has been implemented as an improvement element.
- Description and evaluation of the results obtained.

Excellence of the solution (35%)

- Effectiveness of the solution implemented to solve a problem.
- Innovation approach.
- Originality of the implemented solution.
- Potential of application for the FDI sector (value for the generation of competitiveness, other possibilities of application at country level, other company sizes or different sectors and/or activity).

Spanish Impact (25%)

- Spanish market.
- Spanish business environment.
- Further links with any international canvas with the Food and Drink industry.

5. AWARD CEREMONY

After the assessment, the award will be given to the winner during the event ALIBETOPÍAS 2024, scheduled in Madrid-Spain on **October 24th, 2024.**

The winning startup will benefit from:

1. The opportunity to present the project at any Working Group of the Food for Life-Spain Platform.
2. Contact with business investors and key agents of the Spanish agri-food sector.
3. Recognition by FIAB as the best startup in the agrifood sector of the year at international level.
4. Presentation of your project during the ALIBETOPIAS 2025 event.
5. Dissemination on both Spanish and international events and conferences relevant to the sector.
6. Invitation to an international agrifood event or fair.
